Raise your hand, if your student has been involved with...

- Club or student organization
- Sports
- Community service
- Music group
- Religious or spiritual group
- Travel abroad or exchange program
- On-campus job
Benefits of Involvement at UW-Madison

• Helps a large institution feel smaller
• More likely to stay in college; better retention rates
• Admission to school/college & graduate school
• Scholarship & award opportunities
• Better chance for internships and other leadership opportunities
• 88%* of students stated grades weren’t affected or went up

Encourage your student to:

Check out opportunities
Try something old and something new

Make contact with selected opportunities
Take Initiative—contact for more information

Additional informational, kick-off meetings
Keep an open mind - see for themselves if an opportunity is a good fit

Keep searching
You may not strike gold the first time

Welcome. It’s what WE do.
